

Face Painting with Ms. Cristy!

Have you ever wanted to learn those expert face painting techniques you see at parties? Well now you have the chance! Ms. Cristy is taking time off her clowning career to teach RMCS students all about face painting! I will be teaching how to blend colors, use different techniques, and the difference between powder and water based paints. The paint brands being used will be Snazaroo, Ben Nye, Mehron Star Blend and Wolfe. All paints are toxic-free! This enrichment will provide students the opportunity to use their creative artistic skills!
