

Mad Science

With Ms. Perez

**Did you know that Thomas Edison was afraid of the dark?
Good thing he invented the light bulb.....**

**Each and every wacky week, we will develop our scientific
way of thinking through cool and stimulating experiments.
Students will work on Science Experiments every class,
learning something new and exciting.**

**6th - 8th Grade
Thursday's
4:00- 5:00 pm**

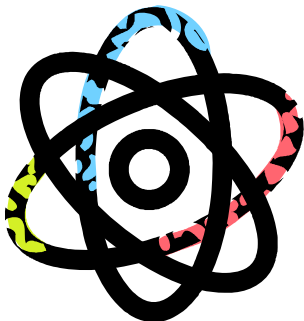

January – 5, 12, 19 & 26 (Cost \$80.00)
