

RENAISSANCE ELEMENTARY/MIDDLE
CHARTER SCHOOL

September 17, 2008

Dear Parents and Guardians:

We are tremendously proud to inform you that Renaissance Elementary Charter School has been named a **"2008 No Child Left Behind-Blue Ribbon School"**. The United States Department of Education bestows this honor upon schools that are either academically superior in their state or that demonstrate dramatic gains in student achievement to high levels. The award recognizes our school's efforts and dedication to our challenging education curriculum.

We would, therefore, like to take this opportunity to thank all of our amazing students—as well as their parents, guardians, and our devoted faculty and staff—for making our school a national model of excellence from which others can take inspiration. Congratulations to all of you!

Sincerely,

Ana Cordal
Principal

Paul Thompson
Assistant Principal
