

Your favorite duo is back and better than ever! This year, we are going green and creating beautiful works of art using science, math, and recyclables!

Join Ms. AZ and Ms. B on Tuesdays as we share some of our favorite upcycled projects from balloon bowls, to bird feeders, and more!

Not only will your child get to tap into their creative side, they will also have the opportunity to learn about packaging and marketing their work at our annual showcase! This is a first, you don't want to miss it!

For any questions regarding this enrichment or if you need accessibility assistance please contact:

Ms. AZ

farrebola-llopez@recscharter.org

or Ms. B

abetancourt@recscharter.org

You can also call the school at
305-591-2225.
