

# Kindergarten Reading & Writing Enrichment

Is your child struggling with letter sounds, sight words, reading comprehension, letter formation or writing assignments in school? Well, this is the class for them!

Each week students will be introduced to a grade level book and will review essential reading comprehension skills through a teacher-led discussion. Students will then be given the opportunity to practice their writing skills (capitalization, punctuation, spacing and letter formation) with a writing assignment related to the book. Students will also review letter sounds and sight words through hands-on activities and games.

Classes are open to Kindergarten students and will be offered on Tuesdays from 3:45-4:45 p.m. at \$20 per class.  
**\*\*After 4:45 late fees will be charged as per Parent Handbook.**

A minimum of 5 students must sign up for the class to begin.
