

**Mr. Koss will be offering classes in TV production, for future Barbara Walters and Larry Kings. Students will learn how to use a video camera and other equipment to create TV segments for our school's Morning News program. The students will work cooperatively in small groups to come up with the ideas for show segments, write the scripts or outlines, create the titles and special effects, rehearse, and film the segments each month. Their finished work will be aired on School Time News at WRCS throughout the year. Students will also be able to participate in the live taping of School Time News if they choose. Students will receive a copy of all work created on a DVD.**

**All materials are included in the cost.**
