

The Artist's Portfolio

Enrichment Objective: To help students prepare an art portfolio consisting of pieces that show a proficient understanding & use of technique in design & rendering from life (realistically), skill with handling different media (materials), conceptual & experimental risk taking, & cohesiveness in their body of work. This will allow students to have a chance at applying for major art magnet high schools, such as DASH & New World, so the work will be more rigorous & fast paced.

The Art Enrichment will meet Tuesdays & Thursdays from 3:30 p.m. to 5:00 p.m. in room 114. Parents are responsible for providing whatever art materials the student wants to work with that are not already provided for by the school. The dates & monthly payments are listed below:
