

Young Inventor Club

with Mr. Aguila

Students will practice and model important skills, such as problem solving, teamwork, critical thinking, and creativity at the Young Inventor Club!

People of all ages, from every corner of the world, become inventors by identifying problems, pursuing ideas, and developing new solutions.

At Young Inventors Club we'll learn that everyone has the capacity for invention!

Tuesdays
3:30 p.m. – 4:30 p.m.
Cost: \$20/Class

<u>Month and Days</u>	<u>Total</u>
Sept. 18, 25	(\$40)
